Project Pray (P. Douglas Small), in collaboration with Dr. Nam Soo Choi and the World School of Prayer (Seoul, South Korea), will jointly sponsor and execute a week of intense prayer for spiritual awakening in the United States. Approximately twenty locations will be identified to host teams of intercessors from South Korea. These carefully chosen locations will be selected based on the city itself (geographic, historical context) and the host congregation and pastor's ability to mobilize additional congregations who will pray for their city during the designated week, along with the Korean intercessory team.

The Koreans Are Coming!

We see prayer as a prop, with work and ministry being the most important thing, we must see prayer as primary, as the means by which we join God, who is already working.

Dr. Nam Soo Choi, of South Korea's World School of prayer is partnering with P. Douglas Small, and Project Pray for a special prayer initiative scheduled for Wednesday, June 1 - Pentecost Sunday, June 5. During these 5 days, as in the first century, a special prayer effort will take place focused on a fresh Pentecost in the USA. Hundreds of South Korean Intercessors will travel to twenty cities, not to teach or train - but to pray, morning, noon and night. Each host city will gather churches to join in prayer for their city and the nation. The week will end with a livestream event sharing the stories of the prayer

effort in cities across the nation. What is the power of such on-site prayer? John Robb, formerly of the International Prayer Council, leader of Transform USA, declared that on nine occasions, prayer teams were injected into war-torn nations, the result was peace accords. The intervening hand of God was often stunning. Teams will be deployed to the four corners of the nation and to key cities.

For more information go to WorldPrayerSchool.org. For almost two decades, Dr. Nam Soo Choi has conducted the World School of Prayer, now, in over 100 nations. His goal is a minimum of 7000 intercessors in each nation, creating a global community of believers, praying for national revival in their nation, and for global spiritual awakening.

On May 30 - June 3, 1973, Dr. Billy Graham conducted his largest crusade in Seoul, Korea, preaching to 1.1 million people. Without intending to do so, the Korean Prayer Project chose almost the same dates, arriving on May 30, and praying through June 5. This is the proverbial 'bread on the waters.' America's gift of evangelism to Korea, is being returned by the grandchildren of those in the Graham Crusade, 49 years ago, or seven-sabbath years. "This is significant," Dr. Tom Phillips, Vice President of the Billy Graham Evangelistic Association noted. Following that event, the mega-church movement in South Korea exploded. Additional prayer mountains were established. The effect was felt not only in South Korea, but in other parts of Asia. The organic church planting movement in the Philippines and the Indonesian revival followed close behind.

On Sunday evening, May 29, from the new archive center on the campus of the

Billy Graham headquarters, a special program will air featuring the special crusade 49 years ago, and the gift of Korean intercessors who will be spread out across the nation, from Seattle to Miami, from the new prayer center at Azusa Street, to the border of Maine and Canada. These teams will be near ancient revival sites - Cane Ridge, Kentucky; Anson Street, Charleston, SC; Azusa Street; Moody Memorial Church; Cleveland, TN; Cartersville, GA; Asheboro, NC (Sandy Creek Revival). And they will be praying for a spiritual awakening.

Watch for more information about this event - times and where it will air.

America's Prayer Meeting Revival

This is our only hope. Desperate, passionate, prayer.

It's simple. Open your church, Wednesday through Sunday, June 1 - 5, for prayer. What if, across the nation, churches were open - for prayer. No fanfare. No music. No preaching. Just the invitation to stop in and pray on the way to work. The suggestion that we fast lunch, and come to the church to pray. That we stop by on the way home from work and pray. Really pray. **What if you walked into your sanctuary and found people simply sitting in the presence of God, waiting, weeping for revival?** What if people were prostrate, before God, in prayer for the nation.

So whether or not a Korean intercessory team is near you or not - you can be a part

of America's Prayer Meeting Revival. **Open your church. Let the people pray.** Put on soft worship music. Put scriptures on the screen, prayer requests. Pray for the nations. Pray for Unreached Peoples. If only a handful come - God will see them and hear them. If dozens, or hundreds come, you can't lose. If you, as a pastor or prayer leader, find yourself alone in the church, remember, heaven joins every prayer meeting no matter the number. And that makes all the difference.

Prayer at the Heart - State Leaders Needed

In September, Prayer at the Heart events will take place all over the nation. But, many states still need leaders. Gerard Long, Executive Director of the Prayer at the Heart movement is leading the charge. Contact him if you want information on the status of your state at gerardblong@gmail.com.

Imagine, teams circling your state praying. And other teams coming from the north and south, the east and the west, the four corners, stopping along the way and praying here and there,

driving stakes, claiming the land, pouring out oil and wine, salt and water, reading prayer proclamations. Weeping over the lost spiritual history of your state. And then, hundreds, if not thousands, gathering at the geographic center, the heart of your state, and praying. A solemn assembly of repentance and brokenness in behalf of a much needed spiritual revival in the land.

So many prophecies have gone forth about revival here and there. **Sometimes, a prophecy needs our obedience to complete it, to invite the**

divine spark.

Become a catalyst in your state - young and old are needed. Native Americans are critical to the success of our efforts as we watch God begin to spark a revival among them. Every race, every age, every denominational stream of Bible believing Christians are needed. We want to stand together, to pray together, to demonstrate our unity for the watching world and heaven. Such unity (Psalm 133), invites God's blessing.

70 Day Prayer Challenge

We are still working on the 70 DAY PRAYER CHALLENGE.

This will be unique. We want to enroll a thousand people in this prayer exercise. Here is the challenge. Meet God for 70 days and your life, and specifically your prayer life, will never be the same. Each day, for about 15 minutes, open your Bible, grab a notepad, and listen to a passage of scripture, the principles out of the passage, and then a prayer - and then commit to practice those principles throughout the day. A Bible PASSAGE. PRINCIPLES. A PRAYER. And PRACTICES.

Each day builds on the day before. And each week builds on the week before. And you will see principles for your prayer life, leaping off the pages of the Bible.

This is a different approach to prayer. It is Biblical. Its transformational. Not a list. Not about acquisition. Not primarily about faith, its more about 'the faith.'

Don't miss the 70 Day Prayer Challenge. Sign up at LearnAboutPrayer.org

Schools of Prayer

Every Wednesday, 6 PM EST on YouTube/ProjectPray or the Project Pray Facebook site, you can join a School of Prayer, based on the book "The Great Exchange". The next School of Prayer will feature the book, *Transforming Your Personal Prayer Life*. This was the most requested School of Prayer we ever conducted. It will be offered beginning in September.

Saturday Night Fire!

We want to expand the call - America's Prayer Meeting - to every night. Arnie Klemm, on behalf of P. Douglas Small, now leads the call.

Saturday Night Fire - has been going strong for over a decade. Every Saturday night, intercessors gather on the phone and pray for an hour - 9 PM EST. The number to call is 518-318-7117.

Arnie Klemm, on behalf of P. Douglas Small, now leads the call, and usually, Doug is a part of the call along with Barbara, except when travel interferes.

We want to expand the call - America's Prayer Meeting - to every night.

Would you host an hour for prayer for the nation - once a week or once a month? We'll help you. We want a dedicated host, and a sponsoring congregation so you will not be alone. You would lead prayer, for revival and spiritual awakening (this is not a prayer requests call). Another group might be on before you, and yet another, after you. We would pass

the prayer baton from one to another. The hours we have in mind to cover initially are 6 - 10 PM, Monday - Friday. That's only 20 slots, weekly; or 80 monthly.

Would you be willing to sponsor, as a church, or lead, as a volunteer an hour of prayer.

At 8:30 PM, each Saturday, Elana Stockman is leading prayer for a different state each week. Then Arnie Klemm leads prayer for the nation. At times, guests are on the call, sharing revival and prayer reports.

Here is a great opportunity to pray - to lead prayer, from the comfort of your home, with friends and fellow church members joining.

The nation needs prayer.

Incense and Bread Crumbs

Every Wednesday at 6:30 AM EST, includes a refreshing time of intercession for the ministry and thoughts from Doug which he calls "bread crumbs" for each prayer call, dial: 518-318-7117.

Personnel Needed

Project Prayer is looking for personnel. Two positions are open. One, an Administrative Assistant, and the other, Development: Grant Writing and Fundraising. If you live in the Charlotte area and are interested, please contact Doug or Barbara Small. 704-938-9111.

Coaching Certification

We have just finished training 50 coaches across the nation. Now, we are welcoming a second wave of prayer leaders who want to learn how to coach pastors and congregations in becoming a house of prayer.

The training is intense. And it is intended for those who want to become proficient at coming alongside pastors and congregations that want to navigate the change to become houses of prayer. To help them become a house of prayer. Send an email to pds@projectpray.org for more information.

“Exploring Prayer” Groups

We are beginning a new feature. It seems that so many pastors and believers, including prayer leaders, have a narrow, constricted view of prayer.

These on-line sessions allow us to gently challenge the ideas that keep us from changing the content and habit of our prayer lives, and the prayer practices of our churches. These groups are typically 8-12 individuals and meet 3-4 times. The cost is reasonable.

CHURCH OF GOD 78TH INTERNATIONAL GENERAL ASSEMBLY JULY 25-29 • SAN ANTONIO, TEXAS

Don't miss **THE PRAYER EXPERIENCE.**

A walk-thru prayer experience. Not merely a prayer room, but an ‘experience.’ The features of the walk-thru experience will be the Throne Room, the Globe Room (Missions), the Family Room, and the Church as a House of Prayer. Special prayer will be offered by intercessors.

We want a thousand people to come to the General Assembly - to pray! The purpose of the General Assembly was for prayer and the study of Scriptures. We want to see it returned to its original purpose.

Come to the Assembly and pray. Bring a

prayer team. We'll give you time to explore the exhibits, attend the worship events, but you will learn to pray by praying.

Our goals - Every nation adopted for prayer. Pioneer people groups adopted for prayer. The restoration of the family altar. The restoration of the congregational prayer meeting. Come - let's pray in San Antonio.
